Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner of Patents and Trademarks

1. The communication filed on 6/28/99 is non-responsive to the prior Office action because applicant(s) fails to point out the patentable novelty in new claims 35-47. Since the response appears to be *bona fide*, but through an apparent oversight or inadvertence failed to provide a complete response, applicant is required to complete the response within a time limit of one month from the date of this letter or within the time remaining in the response period of the last Office action, whichever is the longer. NO EXTENSION OF THIS TIME LIMIT MAY BE GRANTED UNDER EITHER 37 C.F.R. § 1.136(a) OR (b) BUT THE PERIOD FOR RESPONSE SET IN THE LAST OFFICE ACTION MAY BE EXTENDED UP TO A MAXIMUM OF SIX MONTHS. Applicant(s) is reminded of the requirements of 37 CFR 1.119 and 1.111(c), which require that any response that adds new claims must point out specific distinctions believed to render the claims patentable over the art of record.

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Chris Grant whose telephone number is (703) 305-4755.
